EXECUTIVE CONCEPT

EXTEND VIEW

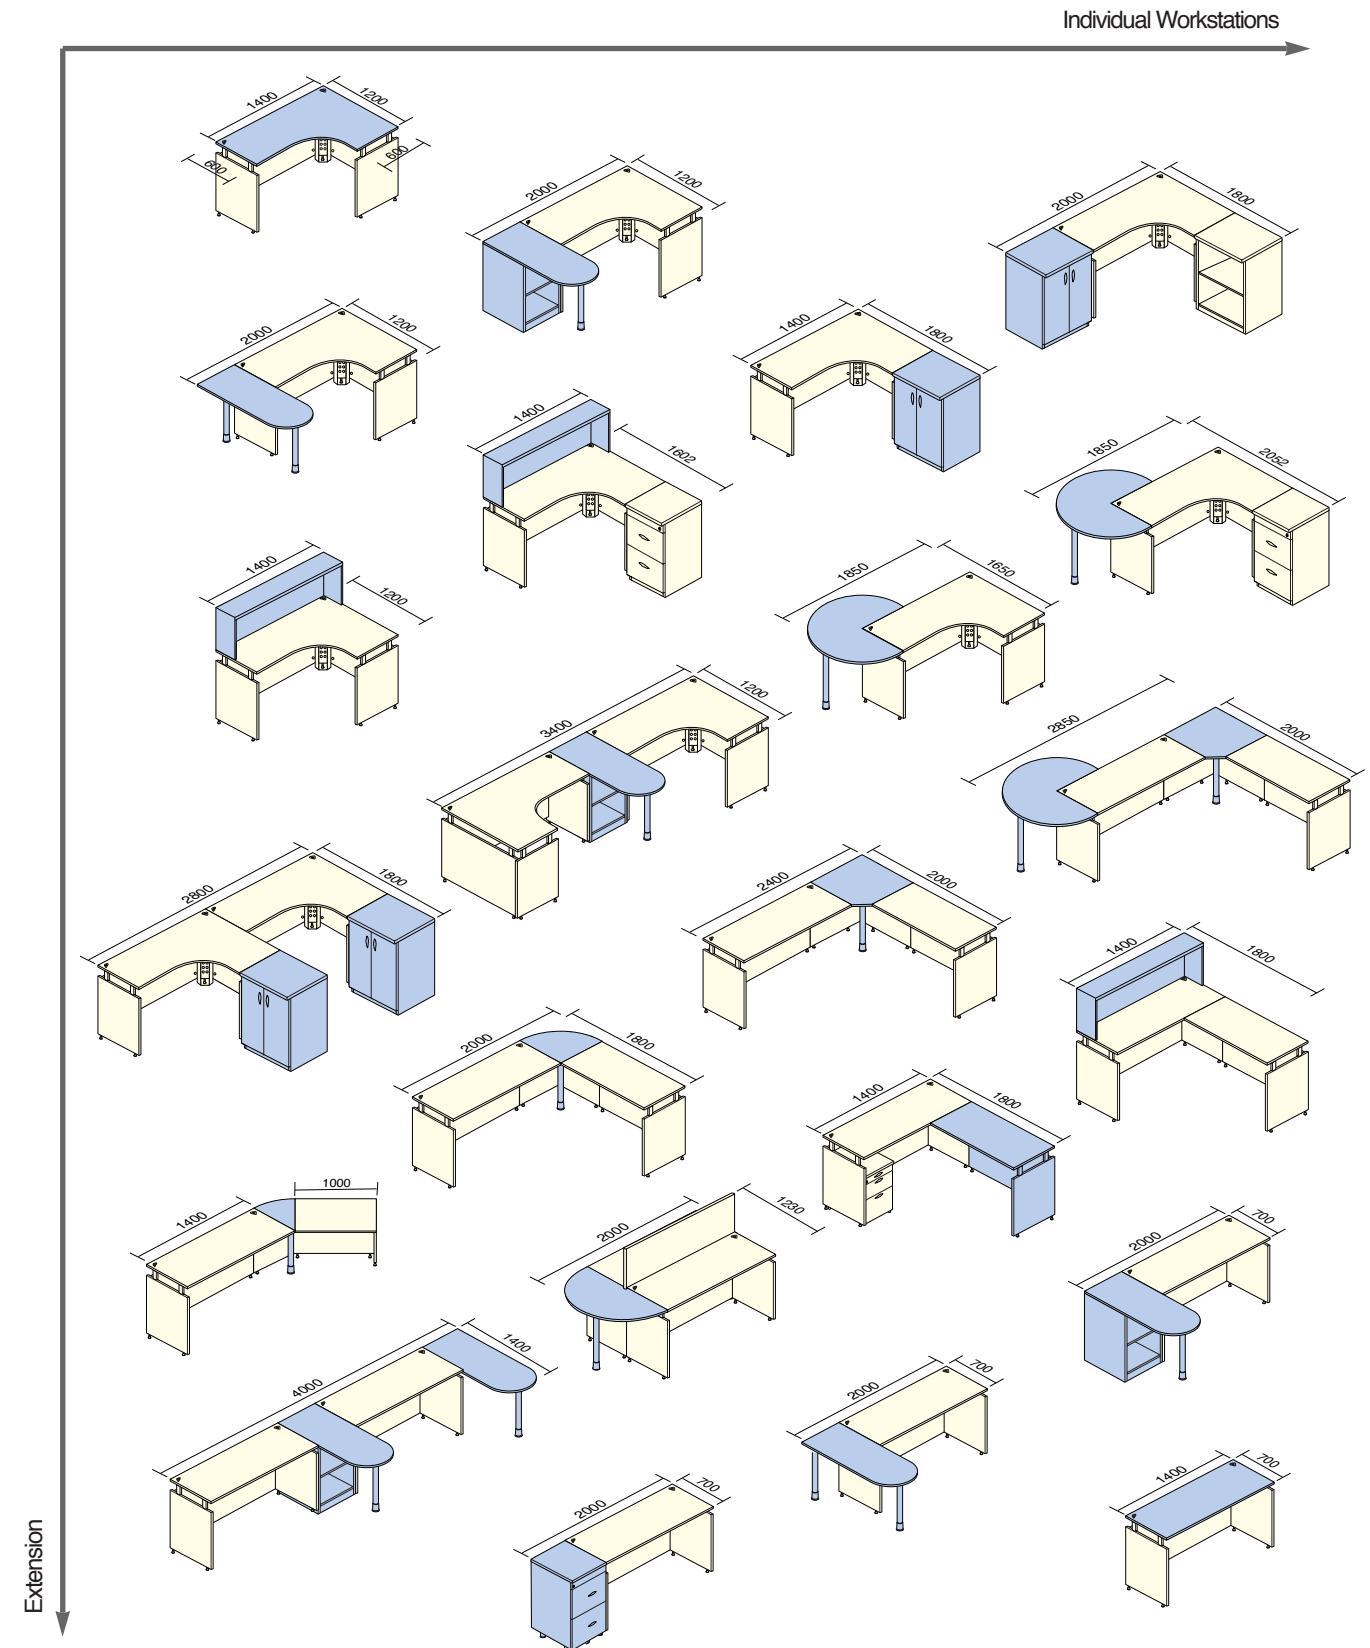

FULL EXTEND DESIGN

J.W-Esys
Office System Furniture

Connectable storage shelf connected to the top of the desk not only maximizes space utilization through extension of the work area and storage space but is economical and convenient.

DESIGN POSSIBILITIES

DESK & STORAGE

J.W-Esys
Office System Furniture

This storage system comes in various specifications and designs and is systematically built to provide various and efficient storage functions. The MegaRange storage system, with its efficient storage system, assists effective management of information from the beginning, use, storage and disposal.

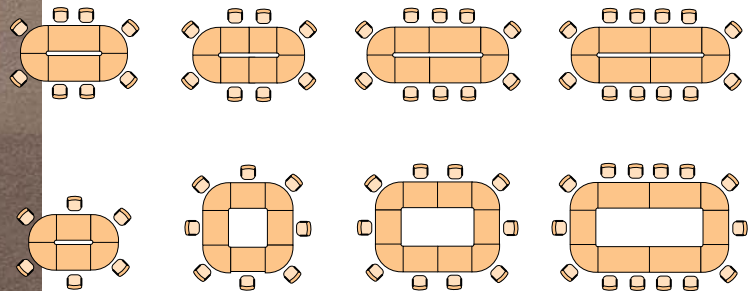

CONFERENCE

System Conference Table is an office furniture system that features flexible layout functions and has easy expansion and reduction capabilities. Conference Table is economical and its simple design will enable users to use space effectively, and efficiently including expansion/reduction to cope with the increased or decreased number of people attending the conference.
